Stock Images - xda-developers [Updated] Update - 29th November 2016 Version 2.0 of the guide no longer works on the current firmware of the device. I have found an alternative method to achieve the same results. The new method is described here: 1- Download the zip file zipallthings.zip. 2- Open the downloaded zip file and extract the extracted folder "allthings" to the phone. This will automatically download the needed stuff and store it in the phone. 3- Exit the download manager and wait until the download completes. 4- Go into apps and download from the play store the 4 apks described here. 5- Install 4 apks with the orite, the apks are located in the /sdcard/allthings/bin folder. 6- Now a reboot is required. After the reboot you can now install lg.zip from this page: or this one: Or this one: Tags: Cricket LG G Stylo - H634, firmware update, install, root, unlocked 3.
