Advanced and convenient editing of photos, slideshows and images. Description: Image viewers, file organizers, photo editors, slide show creators, and more are all available in ACDSee Pro. You can download any picture from your hard drive, manipulate it on your computer, then upload it to your photo albums. You can also make slideshows of your digital photos, edit them, and share them with your friends and family. ACDSee Pro makes it all easy and fun. View and edit your images in more than 20 new and improved views and 12 editing modes. With more than 100 enhanced photo editing tools, you can make any changes you need to turn your favorite shots into your best memories. Edit and enhance your images with one-click tools or over 20 advanced editing tools. Organize your photos, slideshows, and images in folders and password-protected albums. Create unlimited photo libraries and burn photo CDs with the new Enhanced CD Maker. Use ACDSee Plus to enhance your photos by applying over 60 special effects. With High Contrast and Artistic filters, you can select and enhance one part of the image to emphasize a specific subject, such as the eyes, landscape, or sky. ACDSee Plus will help you make any of your photos look like a masterpiece. See photos in a new way with Photo Zoom. When you magnify an image, you can compare the original and the magnified view. Snapshot your favorite moments and make custom photo books with the new Photo Book Maker. You can create photo books with eight different book styles and add photos, stamps, captions, or stamps. Edit your image files and slideshows using the new image viewer, photo editor, photo editor with slide show, slideshow creator, and slide show editor. ACDSee Pro is easy to use, yet it provides powerful and convenient editing tools. ACDSee Pro's latest enhancements include enhanced image viewer, photo editor, photo editor with slide show, slideshow creator, and slide show editor. Key Benefits: • Powerfully organized photo libraries • Protect your photos from photo-saturated computers • Create albums with an unlimited number of photos • Special effects and filters • Photo zoom, photo enhancement, and background replacement • Enhanced viewing and editing of slideshows and photos • Edit slideshows in new ways • Enhance the look of your photo collections • Download any photo you want from your hard drive and work on it right away 77a5ca646e
