Watch the opening movie of the game, and cast your vote for it before buying! About Streamy Awards: The Streamy Awards are designed to recognize the best and brightest in the streaming world. Some of our favorites make the cut like Comedy Central's "Key and Peele" and Comedy Central's "Big Jay Oakerson." about The story: In the near future, virtual reality (VR) is all the rage. Mariko, a young Japanese high school girl, becomes the first to gain access to a prototype VR technology. She sets out to learn the limits of the technology, and she encounters a mysterious "father" whose presence is permanently erased from her memories. She is also the only person who can see his face, which she discovers is her own. With little to go on, she sets out to break the Code, a secret promise between her "father" and himself. Along the way, she encounters and confronts a heartless, sociopathic figure who has drastically rewritten her perception of humanity to suit his own malicious ideals. "AnyWay!" is a fun, light-hearted drama revolving around one eccentric young woman who, after experiencing the joy of virtual reality, is thrust into an unexpected world of confusion and possibilities.
