---

defender on the left of a back three in December, making Rashford the potential 12th defender. The summer additions of Herrera and Nani have seen Mourinho use a back four at times, more so in the second half of last season, with another centre-back involved and either of Pogba, or Ligt and Herrera on the flanks. That has, for now, left the role of the false No.9 up for debate. Manchester United manager Jose Mourinho has been in a battle to find a best fit to his system which will see him push the ball high up the pitch in the final third of the field and away from more defending, both centrally and at

---

the back. One of Mourinho's solutions has been to push the play forward with the likes of the false nine. One of the problems Mourinho has found for United is the lack of a natural forward who can do that and cut out defences at speed. He was so desperate to find someone to do this that
