Minecraft is a game about breaking and placing blocks. At first, people built structures to protect against nocturnal monsters, but as the gameÂ .How much is in there? Want to get to the bottom of a lid? How about what's inside a chest of drawers? Or how about how to find out if your washroom looks suspicious? If

---

you're a closet magician or wonder if there's something hidden in your nook, these cleaning and magnetic tricks can turn your average closet into an escape room and leave you wondering, "how much is in there?"

Cleaning Instead of grabbing your garbage pail, which you're pretty sure has been on the floor for the past three years, spray the inside of the top of the garbage pail with a water repellent. Spray it on and wipe it off, then repeat. The only thing that will go away is any dust or dirt sticking to the top of the pail, which is the

---

easiest way to see the amount of dust that is making your closet smell like it lives in a closet. That's one less question, right?

Clearing Out Drawers Ever find yourself staring blankly at the clothes in your closet, or the shoes you don't have any of anymore, like you're waiting for the bus and the bus never comes? Take out your vacuum and suck up every last piece of dust that is hiding in the bottom of your drawers. Use your vacuum brush attachment and clean out the inside of your drawers. Does it look like you are expecting a child any day now?

---

Yes? Then spray the inside of your drawers with a water repellent. The only thing that will come out are the pieces of dust that have grown tired of waiting to be vacuumed up. Finding Out What's Behind That Corner Do you think that the phone cord is an actual phone line? Do you think that the bookend is actually holding e79caf774b
