We are fighting the Elden Ring, a group of witches who use magic and mayshapes. To make it stronger, they have gathered the people of all sorts, including humans, and new blades have been forged.

Some magic has been passed down to each person and is combined. If a wand is used in a certain way, the God Slayer will appear. They will help you defeat even the strongest enemy. They will also be added after they receive their level up! (Added monsters will be revealed in a future update)
