The KX-TD500 provides. Basically you can't re-use a song from within your own stations (I put up a lot of music and I have a lot of songs there). I wonder if there is a way to set up "You're listening to..." or "You're listening to..." Annoying, but I can deal with it. Thank you for this. Username hidden (4154 posts) User Details are only visible to members. Hi you can even set up the channels (which you are now listening to) with 1 or 2 buttons on the right hand side of the screen. I may not see them as i use a laptop for my listening stations, but i've set them up as i want before. There used to be a tab off the top of the "screen" just to the left of the show name, last I looked at the program they moved that to the side.
